Twenty-six were injured, two of them dying sto while being conveyed to the hospital. The gravel train was backing on a siding will be recovered and the guilty party when the freight train, which was running on orders, approtehed at a high rate of speed and went crashing into the cars ahead. The injured were removed to the Miners' Hospital at Ashland. The killed and injured men were all on the gravel train with the exception of one brakeman on the Pennsylvania, who was killed on his own train. So far as is known the responsibility rests upon the shoulders of the flagman who failed perfect ovation. He made a splendid to flag the freight train in time to prevent the accident. Mayor Hewitt and Tammany.

[By telegraph to the Dispat New York, October 16,-Mayor Hewitt has written a letter accepting the renomination for the mayorsnip. he schathes Tammany Hall as a secret order merely for spoils of office, and which two years ago was "overtaken with a spasm of virtue" and saw fit to nominate him for mayor. He declares that he is for tariff reform and will vote but says nothing of the State ticket. He says he has never had any sympathy with the Know-Nothing movement, and Are you weak and weary, overworked | calls attention to the fact that he himself

of immigration, which was adopted our marker reports by the convention. Hewitt's letter is addressed to the committee of the citizens' meeting which first nominated him and not to the County Democracy. He reiterates his perfect willingness to with-draw from the canvass now or at any time Tammany Hall withdraws its can-didate and submits "one whose charac-

(Special telegram to the Dispatch.) RALEIGH, N. C., October 16.—The twenty-eighth annual fair of the North Carolina State Agricultural began here to-day under very favorable Edloe was engaged in a quarrel with one Eli Parker (colored), during which auspices. It is usual for the Governor to open the fair, but this time Governor Scales was not able to be present and President William G. Upchurch perthe floor. They came to ask an appropriation for the Pemocratic-day parade October 24th, and earnestly pressed their claims.

Affect him, when Edios furned on President William C. Cpentren performed that duty. President Upchurch formed that duty. President Upchurch and Secretary Wilson are both hard at work and are proud of the very creditation. They came to ask an appropriation for the Pemocratic-day parade between the nerve, and if he attempted it he would blow his d—d brains out. Eddoe asked him why he did not stop a table exhibition, which is above the ave-
